

Conference bike (Cobi-7) rental and tours

Conference bike cannot be compared to anything you have seen before. 7 people ride on one bike at the same time. The riders do not sit behind each other, but are facing each other in the circle. It's unbelievable, but still possible and City Bike offers you the chance to try this. You will be even more amazed when you see it!
City Bike has only 2 Cobi-7 in the Baltic's and Russia!

Participants: suggested number of participants 3 –7 people
